- When you take out IHI Travel on www.ihl.com, you will receive a 5% discount.
- If you already have an IHI medical insurance plan, you will receive a discount depending on the type of insurance plan you have with IHI.

How to take out the insurance

It is easy to take out IHI Travel. You only need to complete the Application Form and mail or fax it to us.

You can also take out the insurance online and print your policy schedule directly from www.ihl.com and it is easy to extend your IHI Single Trip.

If you contact us by telephone, your policy schedule can be issued immediately.

Please remember that the premium must be paid before the insurance cover takes effect.

If you have a pre-existing condition

A travel insurance is designed to cover acute illness and injury occurring after you have started your trip abroad. In order for an illness to be covered it must be unexpected. Therefore, if you suffer from a condition before you begin your trip, this will normally

not be covered. If you have a pre-existing condition and if you are not sure whether the insurance provides coverage, you should send a medical report to IHI in order to get information about the cover in your particular situation.

Contact IHI

You are always welcome to contact IHI or your local representative if you have any questions regarding the insurance cover, or if you need information about other kinds of services:

- Travel insurance for groups.
- Business travel insurance.
- Health insurance for individuals or companies.

How to use the insurance

If you have a chronic disease

A travel insurance is designed to cover acute illness and injury. Contact IHI if you suffer or have suffered from a condition before you begin your trip. This applies to every trip - not just at the time you take out the insurance. See also Art. 6.5.

Acute assistance in the event of injury

If you need help, you can contact IHI's emergency service 24 hours a day on +45 33 15 33 00. We will send a guarantee of payment to hospitals, arrange home transportation and provide other kind of assistance in connection with acute illness and injury, etc.

In case of injury

You must always notify IHI immediately in case of hospitalisation, compassionate emergency repatriation, next-of-kin accompaniment, compassionate emergency visit, death and accident.

Physician's bills and medicine expenses must be reported to IHI as soon as you have returned from your trip. You can print a claim form on www.ihl.com or have one sent by calling +45 33 15 30 99. Please complete the form with as much detailed information as possible and send it to IHI together with all relevant original documentation such as receipts and itemised physician's bills, expenses for medicine and dental treatment.

If you are hospitalised, you do not need to pay for the treatment yourself. As soon as IHI has guaranteed the payment, the hospital bill will be settled directly with IHI.
